PROGRAM AT A GLANCE

This program is deigned for students in the Culinary Arts, Hospitality Studies and Management Programs wanting to taste international experiences through professional internships. The program provides real work experience and the opportunity of knowing a new cuisine, culture and language.

If you are interested in the innovative techniques being used in Spanish restaurants or dreaming of becoming a pastry chef while living the international challenge, this is for you.

- Intern at some of the most exciting restaurants (including Michelin awarded) and top-notch hotels all over Spain.
- Learn and discover the Spanish Cuisine training with world-class chefs.
- Internships are available for 2-12 months, all year around.
- Optional Spanish language course to improve your competence.
- Gain academic credit while discovering a country for foodies.

WHO CAN APPLY

- For Students enrolled in Culinary or Hospitality studies *.
- Basic Spanish is recommended.
- Option to participate in 2-week language course at start of program.

OléSAY

Applications are accepted all year round. We recommend you apply at least 3 months in advance. Programs longer than 3 months require a visa.
